CURRENT ZONING OF PROPERTY

Section 23a of the State of Michigan Construction Code Act of 1972, 1972 PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or residential structure.

AFFIDAVIT REGARDING ZONING- I agree the statements made above are true, and if found not to be true, any zoning permit that may be issued may be void. Further, I agree to comply with the conditions and regulations provided with any permit that may be issued. Further, I agree the permit that may be issued is with the understanding all applicable sections of the Charter Township of Oxford Zoning Ordinance will be complied with. Further, I agree to notify the Oxford Township Zoning Administrator for inspection before the start of construction and when locations of proposed uses are marked on the ground. Further, I agree to give permission for officials of the Charter Twp. of Oxford, Oakland County, and the State of Michigan to enter the property subject to this permit application for purposes of inspection. Finally, I understand this is a zoning permit, and that a zoning permit, if used, conveys only land use rights and does not include any representation or conveyance of rights in any other statute, building code, deed restriction, or other property rights.
